

## **Modern Slavery Statement 2023**

Atom Medical Corporation UK Ltd (“Atom Medical UK”) provides a support only function to our UK distributor and their customers.

We are here to support the distributor to ensure our products can be used effectively to enhance patient care of newborn and premature babies. Our company philosophy is “To save a tiny baby’s life”.

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person’s liberty by another to exploit them for personal or commercial gain.

### **Our commitment to the principles of the Modern Slavery Act 2015**

Atom Medical UK has a zero-tolerance approach to modern slavery, and we are committed to acting with integrity in our business dealings. We expect the same standards from our business partners operating on our behalf in the UK. This statement applies to all people working for Atom Medical UK this policy does not form part of any employee’s contract of employment and we may amend it at any time.

### **Responsibility for the policy**

Atom Medical UK has overall responsibility for ensuring this policy complies with our obligations under the Modern Slavery Act 2015 and that all those under our control working for us in the UK comply with it.

### **Compliance with the policy**

Atom Medical UK staff must ensure that they read, understand and comply with this policy. If you believe or suspect a breach of this policy has occurred or that it may occur, you must notify Mr Salvatore Bramato as soon as possible.

### **Communication & awareness of this statement**

Awareness of this statement forms part of the induction process for all individuals who work for us, updates will be provided using established methods of communication between the business and employees as required.

Our zero-tolerance approach to modern slavery must be communicated to business partners at the outset of our business relationship with them and reinforced as appropriate thereafter.

## ATOM MEDICAL

### **Modern Slavery, Human Rights and Prevention of Corruption**

The survival of our business requires a healthy and prosperous environment for all; therefore, we are committed to ensuring that we are identifying risks of modern slavery and addressing this in our business.
